GETTING THERE Parking is very difficult in the area, and there are no pay lots around. The 24-Divisadero bus stops a block away.

PAYMENT

POPULAR DRINK Great wine selection, sangria, and sparkling wine.

FOOD Innovative dessert menu.

SEATING Cozy lounge, with some traditional tables, as well as banquettes and stools around coffee table-type setups.

AMBIENCE/CLIENTELE Chic and sophisticated without being pretentious.

EXTRA/NOTES Candybar partially tempers its upscale feel by providing retro board games for your playing pleasure. Chutes and Ladders over champagne? Who cares if you lose.
